Docket No. 98N-1265 98 JUN -3 A10:35
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My medication alleviates my
post menopause symptoms and is not
available through my local drug stores.
I don't think you should limit
the amount of prescriptions shipped by
one place. That seems like a restraint of
trade. Besides, the LOCAL drugstore is
disappearing. JUST Big Chains are here
or Grocery Store pharmacies. So who ARE you
helping and who are you protecting?
